

## **Comment from Bulgaria on the decision concerning document GB.340/INS/18/5**

As regards to the Draft decision concerning the Director-General's Fifth Supplementary Report: Inclusion of the Philippines in the list to be established under Article 5, paragraph 6 of the Seafarers' Identity Documents Convention (Revised), 2003, as amended (No. 185) – Paragraph 6 of document, we **abstain from voting**. The reason for our abstention is that Bulgaria is not state party to the Seafarers' Identity Documents Convention (Revised), 2003, as amended (No. 185).
