

## Corrigendum

### International Labour Conference 107th Session, 2018 Report III (Part A)

In the English text of Report III (Part A), *Report of the Committee of Experts on the Application of Conventions and Recommendations*, in the observation concerning the application by the Republic of Korea of the Employment Policy Convention, 1964 (No. 122), please replace, in the middle of the third paragraph, the sentence “*The KEF adds that, while the proportion of non-regular workers is decreasing, they still encounter exploitation in enterprises*”, with the following sentence:

**“The KEF observes that recently, the proportion of non-regular workers is decreasing.”**
